

Salleh Ahshim

IP Strategist-in-Training | AI Governance & GRC Practitioner | Cloud & Cybersecurity Engineer

Singapore | salleh.cloud | linkedin.com/in/sallehahshim

Professional Summary

Multidisciplinary professional with 15 years of mechanical design engineering experience. Now repositioning at the intersection of cloud engineering, cybersecurity, and AI governance. Founder of GRC.AD and FoldiePro™. Active creator of the LinkedIn series AI & Cyber Through a GRC Lens. Currently pursuing ISACA Cybersecurity Fundamentals and WIPO DL-101. Hands-on experience across AWS, Azure, GCP, and VMware environments.

Certifications & Education

- 1 ISACA Cybersecurity Fundamentals, In Progress (2026)
- 2 SkillsFuture SCTP, IT/Cybersecurity Risk Analysis (2025)
- 3 SkillsFuture SCTP, Cloud Administration (2025)
- 4 WIPO DL-101 Intellectual Property, Enrolled (2026)
- 5 ITIL4 Foundation (2024)
- 6 PDPA Certified Practitioner (2024)
- 7 Machine Learning Scientist in Python, DataCamp (2024)
- 8 Certified Personal Trainer, ACE (2022)
- 9 Bachelor of Science in Mechanical Engineering, Michigan Technological University
- 10 Diploma in Mechanical Engineering, Singapore Polytechnic

Technical Skills

- 1 Cloud: AWS, Azure, GCP
- 2 Networking: VLAN, DNS, VPN, Subnetting
- 3 Security & GRC: Risk Analysis, PDPA, Incident Response, AI Governance
- 4 Tools: Kubernetes, Docker, GitHub, Linux
- 5 AI & Automation: Python, OCR Chatbot, ML Apps
- 6 Mechanical Design: CAD, Project Management

Projects

- 1 GRC.AD, AI governance and IP strategy platform
- 2 FoldiePro™, folding bike brand with trademark filing
- 3 AWS Multi-tier VPC deployment
- 4 Azure Backup and Recovery implementation
- 5 AKS Kubernetes cluster deployment

6 WhatsApp OCR chatbot with cloud backend

7 ITIL adaptive quiz app with ML integration

Professional Experience

Mechanical Design Engineer, 15 years. Led full lifecycle engineering projects across sectors. Managed teams, vendors, and delivery timelines.

Certified Personal Trainer, Self-employed (2022 to Present). Designs structured training programmes. Active physique athlete.
